What are people saying? Recently a student at the Orange County Association of Realtors said that it was the best test preparation that he had ever attended. A student from Santa Rosa after passing said that he was a CPA who did not work in the field and he passed the exams with “flying colors” because of our fabulous materials. Another student wrote us “I studied the materials you provided and it worked. I got a 94% and an 87%.” We have lots of 90’s on the National exam coming in.
